At LUX AT HOME, compromise is out of the question. Decisions are always difficult when you are torn between the quality and the aesthetics of a collection. Our company makes sure to incorporate both aspects in each options.

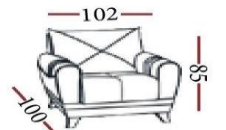

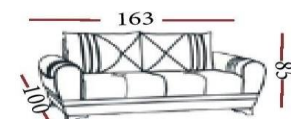

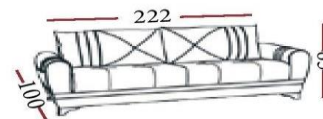

LUX AT HOME offers an array of styles customized to satisfy the specific requirments of each client. We combine trending designs with high caliber products so that the money you invest is worthwhile.

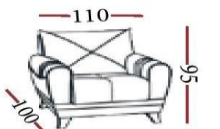

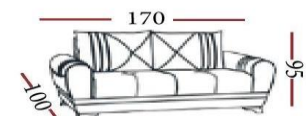

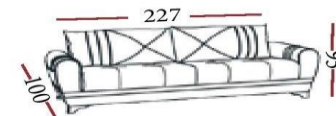

In the past, many companies have given this option soley to high end shoppers, however, we are now in a new era with LUX AT HOME. We uniquely offer equal opportunity for all our shoppers as we promise affordability without sacrificing the grade or the artistic appeal of our furniture.
